RE: 2017 Edward Byrne Memorial Justice Assistance Grant (JAG) Application

Dear Mayor Lombardi,

According to the U.S. Department of Justice, Bureau of Justice Assistance, municipalities eligible for Byrne Grants must submit an application to the Department of Justice for prevention and control of crime and improvement to the criminal justice system. The application must be made public with an opportunity to provide for the public to review/comment on the submission of the application to BJA.

The specific JAG purpose area will be overtime costs associated with the North Providence Police Accident Reduction Enforcement (NPARE) program. This letter serves as a requirement and a formal request to you as the "Governing Body" of the Town of North Providence to place this notification on the North Providence Police and the Town of North Providence websites to afford public review/comment. I respectfully request that you notify us in writing that you have received this formal request.

Thank you for your attention in this matter.

Very truly yours,
